

Here is our
judge!

I am
the host,
30% Salt
(my stage-
name)!

Pleased
to meet
you.

The
leader of the
cooking world,
Mr. Killands
Lydard!

*This is
the 1st Ery
Country
Princess
Struggle
Cooking
Battle!*

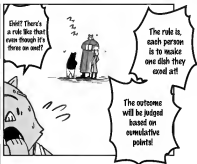

I didn't
notice
him at
all...
He's
not an
ordinary
guy..

Wh-
who's
he? That
man...

That's
impossible!

So that means
he needs to earn
three person's
worth of points
on his own then!

Chief? There's
a rule like that
even though it's
three on one?

The rule is,
each person
is to make
one dish they
cool at!

The outcome
will be judged
based on
cumulative
points!

Ahh...
Even the
Skyfish
Hunter's
gone into
give-up
mode...

*This
has become
pretty
fascinating!*

Hehe,
Fasci-
nating
...

!?

We're counting
on your fight
for it to your
heart's content!

We're not
gonna die!
Those eyes say
we're not
gonna die!

**Fight
!!**

*Well then,
it's time
for the
cooking
battleeef!!*

The
one
most
at risk
if they
lose
